

# The Fraternity of St. Joseph Men's Group Mission Statement

The creation of this fraternity is in response to the recognition of the need to impart the value and virtues of handing on our faith-filled gifts, our deposit of faith, to the next generation of Catholic men within our faith community.

The mission of this ministry is to reach into our congregation and bring together men of all ages in forming a band of brothers' intent on strengthening each other, as we instill the value of the Holy Mass, the Eucharist, and our Sacraments; our guiding grace toward safe passage throughout our physical lives.

A focus on sharing awareness of the resource documents, modeled in the just man of St. Joseph, to be used as "tools of reach" to build up strong men in the knowledge of the Catholic faith that fortifies them, is the objective. A lived fellowship where growth in moral posture and family values is the footing. An institution committed to steadfast faith-filled men who hold themselves and each other accountable to their families, and the communities around them that they will ultimately transform. All to be gained in the knowledge and awareness that as brothers, we are stronger when we are united in standing, working, and praying together!

God bless and guide His faith-filled family, and the men who will, or do lead them, Amen!
